<i>Normalized Quantity* (per year)</i>	1,454,000	819,016			1,235,900
*See pages 15-17 of the instructions for more information					

b. Briefly describe how you achieved improvements for this aspect or, if relevant, any circumstances that delayed progress.

Reduction of water use due to water conservation efforts in the plant, elimination of some equipment using cooling water and this water amount is based upon weather conditions in the San Diego Area. Since this facility includes the amount of water used for watering of its property, this figure varies with the amount of rainfall in a given year.

c. Please list any other EPA voluntary programs to which you are also reporting these data (e.g., Energy Star, Project XL).

Section D

Public Outreach and Performance Reporting

D.1

Please briefly summarize the public outreach and reporting activities that your facility has conducted during the year. Feel free, but not obligated, to attach supporting materials (e.g., meeting agendas, public announcements). Website outreach communications are available (Linked) on the "Special Products" site.

Our facility was involved with providing fiber optics lighting to the 9-11 relief efforts and we received a letter of gratitude from Goodwill Industries for providing work to people with disabilities.

D.2

Please indicate which of the following methods your facility plans to use to make its Performance Track Annual Performance Report available to the public. Please check as many as are appropriate.

Self-Certification of Continued Program Participation

On behalf of SNAP-ON INDUSTRIAL, SPECIAL PRODUCTS DIVISION
(name of my facility)

I certify that

I have read and agree to the terms and conditions specified in the *National Environmental Performance Track Program Guide*. This facility, to the best of my knowledge, continues to meet all program criteria;

I have personally examined and am familiar with the information contained in this Annual Performance Report. The information contained in this report is, to the best of my knowledge and based on reasonable inquiry, true, accurate, and complete;

My facility has an environmental management system (EMS), as defined in the Performance Track EMS criteria, including systems to maintain compliance with all applicable federal, state, tribal, and local environmental requirements in place at the facility, and the EMS will be maintained for the duration of the facility's participation in the program;

My facility has conducted an objective assessment of its compliance with all applicable federal, state, tribal, and local environmental requirements; and the facility has corrected all identified instances of potential or actual noncompliance; and

Based on the foregoing compliance assessments and subsequent corrective actions (if any were necessary), my facility is, to the best of my knowledge and based on reasonable inquiry, currently in compliance with applicable federal, state, tribal, and local environmental requirements.

I agree that EPA's decision whether to accept participants into or remove them from the National Environmental Performance Track is wholly discretionary, and I waive any right that may exist under any law to challenge EPA's acceptance or removal decision.

I am the senior manager with responsibility for the facility and am fully authorized to execute this statement on behalf of the corporation or other legal entity whose facility is part of the National Environmental Performance Track program.

Paperwork Reduction Act Notice

The public reporting and recordkeeping burden for this collection of information is estimated to average 188 hours per respondent annually. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Packaging & Assembly – Liquidators of Excess Product Inventory – Federal Contractors

December 18, 2001

Mr. Tom Turk
Snap On Industrial
2425 West Vineyard Avenue
Escondido, CA 92029

Dear Tom:

The purpose of this letter is to say "thank you" for taking time out of your busy schedule to meet with us Wednesday, December 12, 2001. We enjoyed visiting your manufacturing facility and meeting all the good people. Snap-on Industrial and all the people associated at Snap-on are very special because you are willing to offer a helping hand to people with disabilities.

The work you send our packaging and assembly department provides opportunities for people with disabilities to change their lives. Through your support over the last four years, people with disabilities receive valuable training and work experience as they prepare for full time employment in the community.

Goodwill Industries of San Diego has been honored to partnership with Snap-on Industrial in providing people the opportunity to overcome disabilities, and we look forward to exploring new opportunities with Snap-on in the future.

We are very committed to providing you quality work, on time delivery and reasonable prices. We are also committed to continuously improve our services to you, so please do not hesitate in letting us know how we may better serve you.

Respectfully Submitted:

Lincoln Marini

Snap-on Incorporated

Date: September 11, 2001
To: WTC Relief Efforts – NYC Fire Department
From: Snap-on Tools – Industrial Division

Our thoughts and prayers go out to your department, those assisting the injured, the victims, their families, and to the leaders of our nation.

We have explored options to extend aid to the emergency relief efforts and would like to donate the following fiber optic lighting systems products to your Fire Department to assist in the search and clean up efforts. Please feel free to contact us once the product is received and we will be happy to provide direction and guidance on how to most effectively use the product. Thank you for your help and God Bless America!

Sincerely,
